**Re: ISF School Beach Games 2020, 7th to 14th September – Odessa Region, Ukraine- Postponed**

Dear Friends,  
Dear Colleagues,

We would like to inform you that the members of the General Assembly meeting on the 3rd March in Belgrade, Serbia, decided to follow the proposal presented by the Local Organising Committees of the ISF events when it comes to the Coronavirus situation.

Following the communication with our member and the LOC of the ISF School Beach Games 2020, Odessa Region, today, it has been decided that the event, supposedly taking place from 7th to 14th September is postponed to the year 2021. The reason of the decision of the Ukrainian authorities is based on the current stage of development of the Coronavirus. We are currently cooperating with the School Sport Entity of Ukraine in order to propose in the coming days a new date for this event. We will do our utmost to inform you as soon as possible on the new proposed dates.

We would like to thank you for having shown interest in this event. We are sorry for the inconvenience that has occurred and remain at your disposal for any support you might need in facing this situation. The health of the ISF family members and participants is our priority and we will continue working closely with all our local organising committees in order to evaluate each local situation.

We thank you for your understanding and cooperation in this matter.

Yours respectfully,

**Hrvoje Custonja**  
ISF Secretary General/ CEO

**Laurent Petrynka**

Member of IOC Olympic Education Commission
